

Safe Environment Step-By-Step Guide

Revised 2018

**An Annual Maintenance Tool
for Parishes and Schools**

“Promise to Protect - Pledge to Heal”
Established by the United States Conference of Catholic Bishops

Diocese of Bismarck
Safe Environment

September 2013

Dear Sisters and Brothers in the Lord,

The Catholic bishops of the United States adopted the *Charter for the Protection of Children and Young People* in 2002. The charter requires each Diocese to be vigilant and responsible in ensuring the safety and security of all children and youth as they participate in all activities of the Church's life.

Many strides have been made in our Diocese to assure the protection of our children and youth. We have provided *Establishing Bonds of Trust* and *Personal Safety Awareness for Children and Youth, Curriculum Guide K-8* as tools to help implement the Charter. We have also published articles in the *Dakota Catholic Action* about child abuse prevention efforts.

In an effort to make the *Safe Environment Program* easier to administer and understand at the parish level, we have compiled this step-by-step guide. Included in this guide are instructions on ordering background checks and providing training, as well as the annual audit forms. Please make copies as needed from this guide, or use the fillable forms found on our website. The audit forms **must be completed annually** and sent to the Chancery **no later than July 1** by all parishes and Catholic schools.

In previous audits, many parishes have not responded in a timely manner to the auditors' requests for information. This has presented a number of problems and it is necessary that every Pastor in our Diocese take it upon himself to make sure his parish or parishes provide the necessary information when and by the deadline requested. I will hold each Pastor personally responsible for the proper completion and timely filing of the audit forms.

The work to protect our children is an ongoing effort. We must continue to do everything possible to help our children grow up in a safe environment.

Sincerely in Christ,

Safe Environment Step-By-Step Guide

Our children are our most precious gifts from God. We must do all in our power to ensure that the children and youth placed in our care may worship, study and participate in activities in the safest and most secure setting possible.

In 2002 the United States Conference of Catholic Bishops published the *Charter for the Protection of Children and Young People*. This charter mandated that every diocese, parish and Catholic school in the United States create and maintain safe environment programs for children and youth which includes an annual audit to ensure compliance.

This guide is presented to assist parishes and Catholic schools to fulfill the requirements of the *Charter for the Protection of Children and Youth* in an easy to follow step-by-step format. There are diocesan publications to direct and support the implementation of the *Charter for the Protection of Children and Young People*:

1. Establishing Bonds of Trust (every Priest has a copy)
2. * Safe Environment: Step-By-Step Guide
3. * Diocese of Bismarck Code of Conduct
4. * Various Safe Environment training curriculums for children and youth

7 Safe Environment Requirements

1. Employment & Volunteer Applications

- Employment or Volunteer application must be completed. (Samples in this document)
- Professional and personal references must be contacted.
- Employee and volunteer records must be maintained in a secure location.

2. Background Check Process

All diocesan, parish and Catholic school employees and volunteers must successfully complete the background check process BEFORE being hired and/or having any contact with children or youth!

- All diocesan parish and Catholic school employees must have a background check. The background check must include both a statewide and federal criminal records check. The Diocese of Bismarck uses MYB, Inc. to do their background checks. The other check must be obtained from the North Dakota Department of Human Services, Child Abuse and Neglect Division.
- All diocesan, parish and Catholic school volunteers 18 years and older who have ongoing, unsupervised contact with children and youth must have a background check. Do not order a background check from MYB, Inc. for an individual under the age of 18 as they do not have public court records.
- For employees and volunteers under the age of 18, only the check through the ND Department of Human Services must be done. When working with children, volunteers under the age of 18 must be visually and physically accessible by an adult supervisor who has been background checked.
- **Background checks for active employees and volunteers who have ongoing, and/or unsupervised contact with children and youth be must be renewed every 7 years.**

BACKGROUND CHECK FORMS (found at bismarckdiocese.com)

1. **MYB, Inc. Criminal Records History Check Authorization – FAX to 1-828-698-9918**
2. **Child Abuse and Neglect Background Inquiry (SFN 433) – FAX to 1-701-328-0358**

MYB and ND DHS send results to the Diocese. Copies of the background check results are then sent to the parish/school. These results must be kept at the parish/school office in a secure and confidential location. Never throw these away, as you will need them for the annual audit.

3. Safe Environment Training for Employees & Volunteers

All diocesan, parish and Catholic school employees, volunteers and educators must:

- **Read the Diocese of Bismarck Code of Conduct.**
- **Complete and Sign the Acknowledgement Form**
- **The Diocese of Bismarck makes this document available at bismarckdiocese.com**

- **All employees, volunteers and educators who serve where minors may be present are required to complete Safe Environment Training before being employed or volunteering.**
- **Adults need to be trained only one time.**
- **Those persons under the age of 18 who work (under the constant direct supervision of someone who meets all Safe Environment background check requirements) are still required to complete the Safe Environment training.**

Acknowledgement forms must be kept on file at the parish/school office in a secure location. Never throw these away, as you will need them for the annual audit.

4. Safe Environment Education for Parents, Children & Youth

- Parishes are required to offer annual safe environment training for parents who have not yet been trained. In parishes where there are no new parishioners, it is not necessary to offer adult training that year because adults need to be trained only one time.
- Each parish and school is required to offer a yearly, age appropriate training session for parents and children in parish religious education (CCD) programs, as well as in those the Catholic schools. It is highly recommended that parents be invited to attend these sessions.
- Curriculums are available at bismarckdiocese.com, and videos from the Diocese of St. Cloud were also given to each parish and contain age appropriate content for assisting teachers in making students aware of the many issues that involve their personal safety.

Be sure to keep a record of:

- a) Date and time of training sessions
- b) Names of students and parents in attendance
- c) Curriculum used for the training
- d) Opt-out forms (found at bismarckdiocese.com) If parents choose not have their child participate in the Safe Environment Training, they may come to the parish or school office and sign the opt-out form that certifies that they have been offered training and declined it.

Keep all of these documents on file in the parish/school office, as they will be needed for the annual audit.

5. Catechist Training

- Parishes and schools are responsible for selecting a catechist/teacher who has cleared the Background Check Process, completed the Safe Environment Training and is comfortable with presenting Safe Environment lesson plans.

6. Annual Audit (Audit year is July 1 – June 30)

- All Parishes and Catholic schools are required to submit to the diocese an annual audit of compliance to the Charter for the Protection of Children and Young People.
- It is vital that complete records are kept for the Safe Environment Audit which is conducted through the Office of Child and Youth Protection of the United States Conference of Catholic Bishops.

The following audit documents (available online at bismarckdiocese.com) are to be sent to the Chancery no later than July 1 each year:

1. **Letter** to the diocesan bishop indicating compliance signed by pastor/principal
2. **Parish/Catholic School Worksheet** (documents student Safe Environment training as well as employee, educator, volunteer background checks and Safe Environment Training)
3. **Calendar of Training** (dates/times and curriculums used for Safe Environment Training)

Required audit documents are provided on bismarckdiocese.com to all parishes/schools each spring.

7. Reporting of Known or Suspected Cases of Child Abuse or Neglect

**Allegations of sexual abuse of a minor
by an employee, volunteer, clergy, or religious
must be reported immediately
to a law enforcement agency and to the Diocese of Bismarck.
The complaint form may be found at bismarckdiocese.com
and within the Diocese of Bismarck Code of Conduct.**

VOLUNTEER APPLICATION

Volunteer Profile

The climate in the United States at this point in history is such that a concern about potential liability is raised in every sector of American life, including the Church. This is coupled with a heightening awareness of a responsibility to ensure that those who act in the name of the Church would never violate basic Christian decency.
